Disability Mission Statement

Danville Community College believes in promoting an atmosphere free of inequity and partiality in which all students have access to educational opportunity. DCC believes in creating an inclusive and welcoming community for all students. DCC is committed to ensuring that all qualified students with disabilities have the opportunity to take part in educational programs and services on an equal basis. The College is committed to removing architectural barriers, but also strives to ensure that students with disabilities receive access to education and opportunities in this academic community. DCC facilitates access to reasonable accommodations for students with disabilities in accordance with their documented disabilities.

In order that the College may assess each student’s needs and plan most effectively for his or her academic experience, the student should contact the ADA Coordinator at 434.797.8572 or visit online www.dcc.vccs.edu/studentservices/ADA/DisabilityServices.htm

Vision: Danville Community College will be the college of choice in our region for exemplary educational programs and services.

Mission: Danville Community College is committed to providing quality comprehensive higher education and workforce programs and services to promote student success and to enhance business and community development.
