DCC Programs of Study

Associate of Arts and Science Degree
- Business Administration
- Liberal Arts
- Educational Interpreter
- Training Specialization
- Humanities Specialization
- Social Science Specialization
- Science

Associate of Science Degree
- Engineering

Associate of Applied Science Degree
- Accounting
- Administration of Justice
- Law Enforcement Specialization
- Corrections Specialization
- Protective Services Specialization
- Business Management Specialization
- General Office Specialization
- Legal Specialization
- Medical Office Specialization
- Administrative Support Technology
- General Engineering Technology
- Health Science
- Practical Nursing Specialization
- Information Systems Technology
- Computer Programming Specialization
- Gaming & Mobile Application Development Specialization
- Network Specialization
- PC Technology Specialization
- Marketing
- Warehousing and Distribution Specialization
- Electronic Commerce Specialization
- Medical Laboratory Technology
- (awarded by J. Sargeant Reynolds Community College)
- Nursing
- Respiratory Therapy
- (awarded by J. Sargeant Reynolds Community College)

Technical Studies
- Advanced Manufacturing Engineering Technology
- Fire Science
- Industrial Maintenance Technician
- Nanotechnology Technician Education
- Polymer Manufacturing Technology
- Wood Science Technology
- (Product Design & Development Specialization)

Diploma
- Air Conditioning & Refrigeration
- Automotive Analysis & Repair
- Computer-Aided Drafting & Design
- Electrical/Electronic Equipment Servicing
- Electrical/ Electronic Engineering Technology
- Graphic Imaging Technology
- Industrial Maintenance Technology
- Nursing
- Respiratory Therapy

Certificate
- Air Conditioning & Refrigeration Servicing
- Auto Body Mechanics
- Building Trades Technology
- Corrections
- Drafting Technology
- First Year Studies
- General Education
- Industrial Electrical Principles
- Industrial Electronic Principles
- Law Enforcement
- Maintenance Mechanics
- Office Information Processing
- Residential Design & Estimation
- Summer Air Conditioning & Refrigeration Servicing
- Welding Technology
- Winter Air Conditioning Servicing

Career Studies Certificates
- Advanced Manufacturing Concepts
- Advanced Nurse Aide
- Advanced Phlebotomy
- Advanced Product Design & Development

Alternative Energy Technologies*
- American Sign Language
- Basic Dental Assisting
- Building Construction Trades
- Commercial Art
- Digital Art & Design (Halifax County only)
- Digital Imaging & Photography
- Early Childhood Development
- Educational Interpreter Training
- Electrical Concepts
- Electronic Concepts
- Emergency Medical Services
- Emergency Medical Technician - Intermediate
- Factory Automation & Robotics
- Graphic Communications
- Horticulture
- Interior Decorating
- Legal Assisting
- Logistics Management
- Manufacturing Leadership
- Manufacturing Technician
- Medical Coding
- Medical Terminology
- Medical Transcription
- Metal Processing
- Microcomputer Software
- Motorsports Management
- Network Technology
- Networking with CISCO/CCNA
- Nurse Aide
- PC Upgrade and Repair
- Pharmacy Technician
- Phlebotomy
- Polymer Processing Technician
- Printing Technology
- Product Design & Development Programming
- Real Estate Abstracting
- Web Site Design
- Welding
- Workplace Readiness

*Pending Approval

Five Easy Steps

1. Complete an admissions application.
   - Complete the admissions application online at www.dcc.vccs.edu/BecomeaStudent.
   - There is no application fee.
   - If you graduated from high school in the past 10 years, or even attended another college or university, you should have your transcripts sent to the DCC Admissions Office.
   - If you have received your GED, a copy of your test scores should be sent to the DCC Admissions Office.
   - If you need assistance completing the application online, please come to the DCC Admissions Office in the Wyatt Building Room 108.

2. Take a placement assessment.
   - All students are required to take the assessment for placement in a program.
   - You must have a current admissions application on file to take the assessment.
   - The assessment is given in the Wyatt Building Room 201 on DCC’s main campus and at the Southern Virginia Higher Education Center in South Boston.
   - For practice test questions, visit http://www.dcc.vccs.edu/studentServices/Admissions/PlacementTesting.htm.
   - Appointments are required. To make an appointment call 434.797.8460 or email dcc_placement@dcc.vccs.edu.
   - DCC does NOT require the SAT or ACT.
   - If you are a student who will be requesting accommodations to take the placement assessment, please contact the ADA Coordinator at 434.797.8572.

3. Meet with a DCC counselor.
   - Your counselor will discuss your placement assessment scores and place you in the program of your choice. Counselors are available Monday – Friday, 8 a.m. – 5 p.m. at DCC and at the Southern Virginia Higher Education Center in South Boston. To make an appointment, call the DCC Counseling Office at 434.797.8460 or 434.797.8456.

4. Meet with your faculty advisor.
   - After meeting with the counselor, you will be referred to a faculty advisor who will help you select and register for classes.

5. Pay for your classes.
   - You may pay for your classes at the DCC Business Office or online.
   - Don’t forget to apply early for Financial Aid and Scholarships.
   - Tuition Payment Plan information. Call 434.797.8418.
   - DCC is very affordable!

Financial Aid

Important Steps

Financial aid programs include: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Work-Study, and Federal Family Education Loan Programs.

- Complete the Free Application for Federal Student Aid (FAFSA). This form is used to apply for all available financial aid programs at DCC. The FAFSA form is available online at www.fafsa.gov.
  - Be sure to include our college code (003758) in Step 6.
  - Apply for admission to a program of study at DCC.
  - When your Student Aid Report arrives in the mail, be sure the information is accurate. If information is incorrect, you are recommended to bring all pages to the Financial Aid Office for assistance with corrections.
  - The Financial Aid Office may ask for additional documents before eligibility for financial assistance can be determined.
  - An award notification letter will be mailed after the review process is completed. The award letter will list the program(s) and award amount(s). Students who are not eligible for financial aid will receive a separate notification.

Remember

- Respond to all requests for information.
- Be enrolled or accepted to a program of study at DCC to avoid delays in the awarding of financial aid.
- Promptly report changes in name, address or telephone number to the Admissions Office.
- Read and understand all award conditions. (Award conditions are mailed with the award letter.)
- Ask questions and/or call the Financial Aid Office at 434.797.8567 or 800.560.4291.

Scholarships

Scholarships are available through the DCC Educational Foundation. Applications are available in January and are due March 16. For more information, call 434.797.8495 or visit http://www.dcc.vccs.edu/foundation/Scholarship_application_form.htm.

Tobacco-funded scholarships are also available to students who meet the criteria. For more information call 434.797.8495.

Placement Assessment

The placement assessment must be taken by all new students. It is a basic assessment of your writing, reading, and numerical skills. This test is not pass/fail – it only assesses your skills so that you will be placed in the classes that will best meet your needs.

The assessment is computerized and user friendly. A lab administrator will always be available to answer questions. The assessment is given by appointment ONLY.

The placement assessment is administered in the Wyatt Building, Room 201 and is offered free of charge. Please bring a picture ID, your Student ID number (EMPLID) and pencils. A practice test is available online at http://www.dcc.vccs.edu/studentServices/Admissions/PlacementTesting.htm.

Please call 434.797.8460 or email dccPlacement@dcc.vccs.edu for test times, locations and appointments.

After you have completed the assessment, you should make an appointment to meet with a counselor.

For a campus tour, email openhouse@dcc.vccs.edu.

Visions: Danville Community College will be the college of choice in our region for exemplary educational programs and services.

Missions: Danville Community College is committed to providing quality comprehensive higher education and workforce programs and services to promote student success and to enhance business and community development.

Danville Community College does not discriminate on the basis of race, sex, color, national origin, religion, age, political affiliation, disability, veteran status, or other non-merit factors in its programs or activities. Member, Virginia’s Community Colleges.
