Your first stop for transfer information, including the DCC Transfer Guide.
Planning to transfer? Danville Community College and the Virginia Community College System have Guaranteed Admission and Articulation Agreements with many colleges and universities in Virginia. This means that qualified graduates from DCC’s transfer-oriented degree programs (Business Administration, Engineering, Liberal Arts and Science) will be automatically admitted with third-year status.*

*The Fine Print
Admission to a given institution does not guarantee admission to particular degree-granting programs, majors, or fields of concentration. Students earning Associate of Applied Science degrees are eligible to transfer, but should be aware that in most cases they will have to fulfill general education requirements at the four-year institution. Students seeking Guaranteed Admission must also have graduated from DCC with a certain minimum grade point average, determined by each four-year institution.

Danville Community College does not discriminate on the basis of race, sex, color, national origin, religion, age, political affiliation, disability, veteran status, or other non-merit factors in its programs or activities. Member, Virginia’s Community Colleges.
